... This book is a useful reference for corporate turnaround practitioners and a wealth of knowledge for those who desire to learn the craft from an accomplished individual.

~ Mr. Peter KW Leong, Group Financial Controller,
Comfort Group Ltd, Singapore.

... The ingenious use of the medical analogy between a human being and a company distinguishes this from other corporate turnaround books. It is interesting reading and makes complex turnaround concepts easy to follow and recall. All CEOs, managers and executives are recommended to read this book.

~ Mr. Liao Beng Chye, Chairman,
Chartered Management Institute, Singapore Branch.

Interesting, insightful and rewarding.

~ Professor Subhash Mehta, Visiting Professor,
Faculty of Business and Commerce,
University of South Queensland, Australia.

Dr. Mike Teng has used his substantial experience in corporate rescues to write a book combining his own experience, western management theory and an Asian perspective to discuss successful approaches to turnaround situations. Its particular relevance to Asian business is an important contribution of this work by an author who has both practical experience and a strong academic background.

~ Professor Kevin O'Brien, Pro Vice-Chancellor,
University of South Australia, Australia.

Dr. Teng's book is practical, relevant and useful during this global economic slump. His three phases of corporate turnaround, namely surgery, resuscitation and nursing, are workable and applicable to the restoration of many sick companies in Asia. I would highly recommend this book to CEOs, managers and top civil servants who are trying to steer their organisations out of the economic doldrums.

~ Mr. Oei Hong Leong, Chairman,
China Strategic Holdings Ltd, Hong Kong.
